

# Research Proposal

January 15, 2016

## **intro -**

1. explanation about Gphocs purpose and implementation

## **motivation -**

1. talk about having multiple models and no clear winner (example birds).
2. known methods and disadvantages
  - (a) gphocs & harmonic mean  
Issues with harmonic mean
  - (b) other methods (?)  
Ron - find out what other methods exist
